

Privacy policy

Faced with the development of new communication tools, it is necessary to pay particular attention to the protection of privacy. This is why we are committed to respecting the confidentiality of the personal information that we collect.

Collection of personal information

We collect the following information:

- Last name
- First name
- Company Name
- Phone number
- Email address

The personal information we collect is collected through forms and through the interactivity established between you and our website. We also use, as described in the following section, cookies and / or logs to collect information about you.

Forms and interactivity

Your personal information is collected using a form, namely:

- Website contact form

We use the information thus collected for the following purposes:

- Application tracking
- Contact for project request

Log files and cookies

We collect certain information through log files and cookies. This is mainly the following information:

- Operating system
- Visited pages and requests
- Connection time and day

The use of such files allows us to:

- Improved service and personalized welcome

Right of opposition and withdrawal

We are committed to offering you the right to object and withdraw your personal information. The right of opposition is understood as being the possibility offered to Internet users to refuse that their personal information be used for certain purposes mentioned during the collection. The right of withdrawal is understood to be the possibility offered to Internet users to request that their personal information no longer appear, for example, in a distribution list. To exercise these rights, you can contact us:
